

Online Pre-Surgical History Instructions

INOVA NORTHERN VIRGINIA
Ambulatory Surgery Center

Welcome to Inova Northern Virginia Surgery Center. We're very pleased that you and your physician have chosen us to care for you. To start the pre-surgical assessment process, Northern Virginia Surgery Center requests that you fill out your medical history online with *One Medical Passport*.

We recommend that you enter your medical history online **as soon as your surgery has been scheduled**. Once you do this, our Pre-Surgical Assessment nurse will be able to access the information you entered online. This information will assist the nurse in organizing and documenting your complete medical history to prepare for your surgery.

To begin your online Pre-Surgical Assessment,

- 1) Go to our website: **www.fairoakssc.com** (**Do NOT "google" this or "click" on it- you need to put the complete address in your "url" internet browser to make it a secure website and to insure that it reaches Northern Virginia Surgery Center**)
- 2) Select "**Online Medical History**" on the home page (**Right side of the page in RED**)
- 3) Click on "**complete your online medical history form**" link to get started.
- 4) On the One Medical Passport login page, check the box to accept the Terms of Use and click "**Register**"
- 5) Complete the registration and medical history screens, click **Finish** to submit your Medical Passport to the medical facility

Be sure to have the following information available before starting your *Medical Passport*:

- The names, addresses and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

Note: If you are not able to complete your history online, please call our Pre-op nurse between 7:30 and 4:00 at 703-766-6944 as soon as possible to complete your health history. You will still need to have the above information available when you call. Please allow 20-30 minutes for this call.

About *One Medical Passport*

Completing a *One Medical Passport* medical history online is easy. For most patients, filling out the entire questionnaire takes less than 30 minutes. Please fill out the questionnaire accurately, and be assured that all of your information is kept confidential and will be thoroughly reviewed by your medical team. At any time, you can quit filling out the questionnaire and come back and complete the unfinished portion at a more convenient time.

One Medical Passport is a website that allows you to enter your information at any time from anywhere. You can also print out a copy of your medical history after you create it online and keep it with you or with your other health care documents, as well as have access to it online anytime you need it or want to update it
